

Workshop briefing paper

The workshop provides an opportunity for you to discuss your experiences; concerns and ideas for how Gypsy and Traveller accommodation can be better delivered in the future.

Each table should have a facilitator (if not, there will be a floating facilitator covering 2 tables). Flipchart paper is available in order to make comments on each of the points below.

Please nominate a scribe and someone to briefly feed back a couple of key points at the end of the day.

The notes from the workshop and all slides will be made available at www.westhousingpartnership.co.uk following the event

1) What are the issues in your area?

2) What are your main concerns?

3) Are you aware of good practice relating to Gypsy and Traveller accommodation issues...what are these?

4) What do you think are the main knowledge gaps for Councillors and officers?

5) How do you think Gypsy and Traveller accommodation needs could be more effectively met in your area?
